

All About Me Box Activity Card

The children at Kiddi Caru Day Nurseries Group love to share their 'all about me books'. Filled with information about themselves and their families to encourage the little ones to communicate about themselves.

WHAT DO I NEED

1. A cardboard box - i.e. a shoe box
2. Wrapping paper or stickers to decorate the box
3. A collection of objects and photographs that are special to your child

METHOD

1. Support your child in decorating their 'All About Me' box
2. Inside the box place photographs - i.e. of special family members, holidays, pets and pictures of your child as a baby
3. Involve your child in selecting the objects that go into the box
4. This box can be shared with your child during quiet times to encourage them to engage in conversations with you about themselves and their life
