

Musical Bumps & Statues Activity Card

A game that is normally reserved for parties but why not enjoy this game with the whole family to encourage your child to move, groove and listen!

WHAT DO I NEED

1. Your child's favourite music and songs
2. A sheet of paper with you and your child's names written on it (if others are playing add them too) to create the score board
3. Pencil/pen

METHOD

1. This game is ideal for +3 players as one person needs to be responsible for controlling the music
2. When the music starts every player dances and moves to the music
3. When the music stops everyone has to sit/freeze in place quickly
4. The first person to sit down or freeze first scores a point
5. Include maths by asking your child to add the points on the score board
6. Repeat the game until someone scores 5 points and is announced the winner!
