

Baby Signing Activity Card 2

At Kiddi Caru we use Sing & Sign to introduce early communication with our younger babies, who cannot currently speak, to enable them to express themselves and ease frustrations.

Eat

Bunched fingers moved towards your mouth

Drink

Mime tipping a cup up to your lips

More

Flat hand moves down to cover the other fist (as if tapping a cork into a bottle)

Finished

Fists together facing inwards, hands move out to flat hands facing down
