Kiddi Caru Day Nurseries Group

Pancake Flipping Challenge

WHAT YOU NEED

Thick cool pancake
Small frying pan
Pen and paper

METHOD

1. Whip up a batch of really thick pancakes and allow to cool. We recommend the BBC Good Food easy pancake recipe.
2. Provide your little one with a clean frying pan and ask them to try and flip the pancake and catch it in the pan. Some younger children may need a little help with this but try to encourage them to try it themselves and celebrate it they do or don't catch it.
3. Allow all the family to have a turn.
4. Keep score to see who can flip the pancake the most without dropping it.
5. The person with the highest score at the end is the winner!
