

Valentine's Heart Printing

WHAT YOU NEED

Paper
Paint (red and pink)
Paint tray/pot/plate
Cardbord tubes

METHOD

1. Provide your child with paint in a tray/pot/plate - so they can dip their stamp into it easily
2. Fold the tube in and create a 'V' to make the heart shape
3. You can provide your child with a number of heart shaped tube of different sizes. So, they can use one for each colour
4. Let their imaginations run wild!
5. Once dry, you can fold the paper into a wonderful valentine's card for friends and family
